Play CS: Global Offensive on MacOSHello everyone, how are you all doing today? I hope you are all having a great week so far, my week has been pretty good.. I was a just a kid then but every summer my friend and I would spend at least half the damn day playing that game.. Counter-Strike Please read on... Today we will highlight a game original created for the PC many years ago.. I personally began playing this game many years many years ago during it's beta stages in 1999 before its official release in 2000.
